

For Schools ▾

Parents, Stay Connected.

Missed the swimming carnival? Forgot about the pupil-free day? Too many channels to monitor? Or just want to keep up with everything the kids are doing?

Audiri puts all your important school communication in one place – so you (and the kids) will never be in the wrong place at the wrong time again. One seamless easy connection.

Audiri is a free school app for parents and teachers, with no limits on content or notifications.
